From: Dustin Mullen

Proposal Number: 1324

Project Name: El Asador Restaurant Renovations

3750 S. Mason Rd.

Katy, TX 77450

DESCRIPTION

For your consideration, we propose NEBB Certified Testing, Adjusting and Balancing, as per the mechanical plans and specification section Not Provided. This proposal is based on the following:

SCOPE OF WORK

Air Balance

Existing System Investigation

Autofilled Scope

- Review of existing system abilities.
- Recommendation for renovations to the kitchen and dining areas.
- Balance of equipment following renovations.

QUALIFICATIONS

- ♦ All work is based on regular working hours from Monday through Friday, 7:00 am to 4:00 pm.
- ♦ No overtime or shift differential is included in this proposal unless specifically noted.
- ♦ Costs associated with additional mobilization due to equipment not being ready or equipment which cannot be final tested per plans and specifications will be handled as a change order.
- ♦ One return trip to check/verify deficient items at the jobsite has been included in this proposal. Written notification that the deficiencies have been corrected is required before our return visit. Any additional trips that may be required to retest deficiencies will be handled as a change order.
- ♦ The contractor shall provide a controls technician to operate any automated controls and/or furnish the software and instruction on how to operate the system.
- ♦ This proposal is based on all systems being completed, properly started, and in normal operating condition with all areas unoccupied at the time of testing. If the space is occupied before/during testing, then the proposal will need to be updated and accepted prior to the commencement of work.
- ♦ Adjusting and balancing will be done within the limitations of the equipment being tested. All additional material and labor cost associated with the installation or replacement of drives, sheaves, belts, motors, dampers, fuses, etc., required to make equipment and/or devices meet specifications are to be provided outside the scope of this proposal.

EXCLUSIONS:

- ♦ Installation or replacement of air filters in new or existing equipment.
- ♦ Lift and equipment rentals are not included. (Ceilings over 12 feet will require a lift to be provided.)
- ♦ Duct pressure testing, leakage testing, and noise testing.

TERMS AND CONDITIONS

- ♦ This proposal is valid for sixty days from the date shown above.
- ♦ Permits, bonding, fees, and sales tax are not included in this proposal.
- ♦ Penalty clauses of any kind will not be effective unless approved in writing by the principal of this firm.
- ♦ Should you choose to accept this proposal, please return a signed copy to our office to be incorporated into the contract.
- ♦ All qualifications, exclusions, terms, and conditions apply.
- ♦ All balancing will be done in accordance with the most recent version of the procedures and standards for testing, adjusting, and balancing (TAB) laid out by the National Environmental Balancing Bureau (NEBB). Any alterations to the balancing standards must be agreed upon, and pricing adjustments included, prior to the acceptance of this proposal.

Beyond Balance Services

BASE BID\$5,200.00

Thank you for the opportunity to provide the above proposal for your consideration.
